

A woman with long brown hair, wearing a black dress with white floral patterns, is looking down at a sign on a table. The sign has the Mixtroz logo and the number 5. In the background, other people are visible, some holding phones. The scene is set at an event with a white table and a vase of white flowers.

MIXTROZ SAMPLE ATTENDEE EMAIL

THE BELOW CAN BE USED IN PRE EVENT CORRESPONDENCE

You will have the opportunity to Mix, Meet and Mingle with the {INSERT EVENT NAME} community using Mixtroz! Mixtroz is a technology that drives event attendees from phone to face-to-face in real time for meaningful group connections; think “LinkedIn” but LIVE!

Simply,

1. Download the Mixtroz app anytime from the Apple or Google Play store
2. On the event day once at the event location: Launch and allow access to your location to find the ‘INSERT EVENT NAME’ event
3. Complete virtual nametag
4. Answer 10 multiple choice questions

And you’re done!

At networking time, Mixtroz shows you your group and where to meet in the venue. Mixtroz literally takes the nerves out of networking!
