

A photograph of an event booth. In the foreground, a woman with long brown hair, wearing a black top with a white floral pattern, is looking down at a table. On the table, there is a white sign with the Mixtroz logo and the number '5'. In the background, other people are visible, some looking at their phones. The scene is brightly lit, suggesting an indoor event space.

MIXTROZ SAMPLE RUN OF SHOW

ROS

On the day of the event re-communicate download instructions while being VERY clear that attendees will ONLY be able to access your event once onsite on the date of the event! If they access in advance they will be directed to a demo event and they will need to exit the app and relaunch while onsite.

5:30PM Event opens

Note: Customer team to encourage attendees to download/launch Mixtroz and complete nametag and questions portion of the app.

6:15PM Customer programming & announcements begin. Attendees are reminded during this time to download Mixtroz app and complete nametag and questions if they've not yet done so.

6:30PM Customer creates groups when desired number of attendees have completed questions. Attendees meeting location numbers will be revealed in app.

6:35PM Attendees move to connection groups and check in in app. Icebreakers provided in app to kick off the conversation.

7:00PM Formal Mixtroz activation ends.

Note: Generally guests begin secondary and tertiary intros between attendees stemming from the interactions in their Mixtroz groups.
